A Thuismitheora/ A Chaomhnóra, a chara,

Le linn an ré COVID19 dhúshlánach seo, molaimid go mór do chuid iarrachtaí chun tacú le foghlaim do pháiste sa bhaile. Is tusa múinteoir is tábhachtaí do pháiste ón chliabhán agus tá muid fíor-bhuíoch díot as do chuid íobairtí chun a c(h)uid foghlama a dhaighniú agus a neartú le linn an tréimhse gan fasach seo. Tuigimid, agus do pháiste ag freastal ar Ghaelscoil, go bhfuil riachtanais teanga ar leith i gceist agus tú ag cuidiú leo sa bhaile. Tá ÚO ag obair le grúpaí leasmhara eile ón earnáil, chun an tacaíocht is fearr a chur ar fail do thuismitheoirí leis na dúshláin seo agus cuirfimid leis an rannóg seo de réir mar a dhéantar forbairt ar na próisis a bhaineann le ‘foghlaim sa bhaile. Agus muid ag fanacht ar an lá nuair a bheidh sé sábháilte ag do pháiste pilleadh ar scoil, tá treoir agus nascanna úsáideacha curtha san áireamh anseo.

Go n-éirí go geal libh.

In this challenging COVID19 climate, we commend your endeavours to support your child’s learning at home. You are your child’s first and most important educator and we appreciate greatly your efforts to maintain and consolidate their learning during this unprecedented period. We understand that as an Irish Medium parent, you encounter specific language considerations while helping your child to learn at home. EA continue to work with all IME support bodies to provide optimum support for IM parents with these challenges and we will continue to update this section as the home learning processes evolve. As we await a time when it is safe for your child to return to school, we have included guidance and links below which we hope will prove useful.
